APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the point of diversion of a portion of the waters of Clear Creek, as heretofore appropriated in the 1872 Civil Decree, in the District Court of the 2nd Judicial District of the State of Nevada, in and for the County of Ormsby is issued subject to the terms, conditions and irrigation period imposed in said decree and with the understanding that no other rights on the source will be affected by the change proposed herein.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

A suitable measuring device must be installed and accurate measurements of water placed to beneficial use must be kept.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed cubic feet per second, and not to exceed 23.25% of total flow, and not to exceed a seasonal duty of 4.0 acre-feet per acre of land irrigated from any and/or all sources.

Work must be prosecuted with reasonable diligence and be completed on or before:

February 25, 2003

Proof of completion of work shall be filed before:

March 25, 2003

Water must be placed to beneficial use on or before:

February 25, 2006

Proof of the application of water to beneficial use shall be filed on or before:

March 25, 2006

Map in support of proof of beneficial use shall be filed on or before:

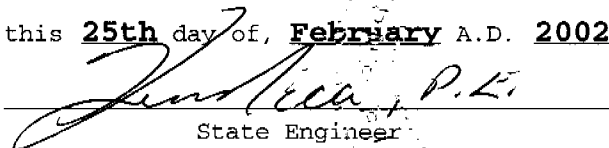

March 25, 2006
